

Product Change Notification – PCN # PCN000649 v.1

30/06/2019

Dear Valued Customer:

The purpose of this letter is to inform you that Moxa is planning to implement a change to certain products. Please review the detailed information given below to determine how these changes will affect your products and/or processes. If you have any questions regarding these changes, please contact the person listed below.

Subject:

It's good to Earth, and also the documents and software can be downloaded from Moxa website, so we will remove CD from the package list of these product lines:

1. Multiport Serial Boards
2. Serial Device Servers
3. USB-to-Serial Converters / USB Hubs

Service Level: Basic

Effective Date: Now to June, 2020

Model Names/ Delivery Schedule:

MiiNePort series	March, 2020
NPort Express series (DE-211 / DE-311)	June, 2020

Change Description:

1. Remove CD from the package checklist. It will keep the same revision for all product series.
 For example, the original revision of NPort 5610-16 is V3.4.0, the new version will keep V3.4.0.

Note:

1. Moxa will keep supplying the current version of above product line units and do a running change to phase in the new version.

Note: For questions, contact the [Ray Chen \(ray.chen@moxa.com\)](mailto:Ray Chen (ray.chen@moxa.com)) or your regional sales contact.
