Change Description:

Moxa is planning to make the ThingsPro Gateway software available free of charge on its website. All ThingsPro 2 versions can be downloaded from the Moxa website free of charge. The corresponding price information will also be removed from Moxa's price utility and tool. In other words, instead of ordering the installation SD Card from us, you can download the ThingsPro Gateway v2.5.1 installation file from the Moxa website. Moxa will continue to develop, enhance, and maintain the software for our customers.
