

Product Discontinuance Notification — PDN # 0000306327

22 Oct, 2019

Dear Valued Customer:

The purpose of this letter is to inform you that Moxa is planning to discontinue certain products. Please review the detailed information below to determine how these discontinuances will affect your products and/or processes. If you have any questions regarding these changes, please contact the person listed at the bottom of this notice.

Subject:

The EDS-210A series of industrial 10-port unmanaged Ethernet switches will be phased out.

Service Level:

Basic

Effective Date:

As the power regulator used by EDS-210A Series will be discontinued, and there are some feature enhancements on the recommended replacement products, the EDS-210A Series will be discontinued from May 31st, 2020. The phase out date will be May 31st, 2021.

Last Buy Date:

Last buy orders must be received before April 30th, 2020.
