

**Product Discontinuance Notification—PDN# 0000393023**

**August 01, 2023**

Dear Valued Customer,

We would like to inform you that Moxa is going to discontinue the MRC-Server License, MRC-Server Node License-25, and MRC-Server Node License-100. This process will effectively begin August 01, 2023.

If you need any of these discontinued products for an existing project, please contact your Moxa sales representative for replacement.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

**Which products will be discontinued?**

The following products will be discontinued. Also, see the models recommended to replace the soon to-be-discontinued models, as well as when the replacement models will be available for order.

| Discontinued                | Recommended Replacement | Available for Order |
|-----------------------------|-------------------------|---------------------|
| MRC-Server License          | MRC Quick Link          | Available Now       |
| MRC-Server Node License-25  |                         |                     |
| MRC-Server Node License-100 |                         |                     |

**Applicable differences in specifications**

In this table, we list the differences in specifications between the discontinued product and the recommended replacement product.

| Specification | MRC-Server (Discontinued)        | MRC Quick Link (Replacement)  |
|---------------|----------------------------------|---|
| Type          | On premise                       | Cloud service   |
| Charge Type   | One-off payment                  | Subscription  |
| Fee           | Software license<br>Node license | 5 free concurrent connected nodes, 5GB monthly data usage for 5 years<br>Add-on license |
| Maintain      | Customer                         | MOXA  |

Please note that all service rules (e.g., warranty) still apply to discontinued products.

If you have any questions, please contact Yin Chang at [YinY.Chang@moxa.com](mailto:YinY.Chang@moxa.com), or contact your regional sales representative.
