

Dear Valued Customer,

We would like to inform you that Moxa is going to make changes to the NPort 6610-8 Series. These changes will be implemented August 01, 2023. Please review the details below to determine how these changes will affect your products and/or operations.

What will change?

The NPort 6610-8 Series will no longer maintain the regional certificates as listed below. So, the logos of these certificates will be removed from the silver label on the product.

1. China CCC certification
2. Japan VCCI certification
3. Russia EAC certification

	Current Version (v1.8.1)	New Version (v1.8.2)
Silver label		

All products' warranty statements remain the same for the new NPort 6610-8 Series hardware.

Which products will be affected?

Product Name	Current Version	New Version
NPort 6610-8/SAA	V1.8.1	V1.8.2
