

Product Discontinuance Notification—PDN#0000401641

November 22, 2023

Dear Valued Customer,

We would like to inform you that Moxa is going to discontinue the conformal coating (-CT) models in the VPort 06 and VPort P16 Series IP camera due to slow sales. This process will effectively begin January 01, 2024.

If you need any of these discontinued products for an existing project, please contact your Moxa sales representative to place orders before June 01, 2024. Also, please note that last-buy orders may be subject to availability.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will be discontinued?

The following conformal coating models in the VPort P06-1MP-M12 Series, VPort 06/P06-2 Series, VPort P16-1MP-M12 Series, VPort P16-1MP-M12-IR Series, and VPort P16-2MR Series will be discontinued. Also, there will be no replacement model. If you require any conformal coating product in the future, we can provide a customized version based on Moxa’s customization product service process.
