

Product Change Notification—PCN# PCN001072

September 20, 2024

Dear Valued Customer,

We would like to inform you that Moxa has made changes to the **EDS-600 Series and CM-600 Module Series**. These changes are implemented by running change from January 15, 2024. Please review the details below to determine how these changes will affect your products and/or operations.

What will change?

Because the system-to-module connector is being phased out, we will replace it to ensure continued functionality and longevity of our products in the EDS-600 Series and CM-600 Module Series

1. This design change does not affect the certifications of the EDS-600 Series and CM-600 module Series.
2. There are no other changes in the EDS-600 Series and CM-600 Module Series regarding form, fit, or functionalities.
3. The older versions of the EDS-600 Series and CM-600 Module Series are compatible with the newer versions of the EDS-600 Series and CM-600 Module Series.

Which products will be affected?

Product Name	Current Version	New Version
EDS-619 (CV-CT)	V1.3.0	V1.3.1
CM-600-4TX (CV-CT)	V1.1.0	V1.1.1
CM-600-4MSC (CV-CT)	V1.1.0	V1.1.1

When will the new versions be available?

We have performed a running change to phase in EDS-600 Series and CM-600 Module Series from January 15, 2024.

If you have any questions, please contact Grace Lin at graceyc.lin@moxa.com, or contact your regional sales representative.
