

Product Discontinuance Notification—PDN#0000426753

February 25, 2025

Dear Valued Customer,

We would like to inform you that Moxa is going to discontinue the VPort P16-1MP-M12 Series IP camera because of a key component's end-of-life. This process will effectively begin April 01, 2025.

If you need any of these discontinued products for an existing project, please contact your Moxa sales representative to place orders before August 31, 2025. Also, please note that last-buy orders may be subject to availability.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will be discontinued?

The following product models in the VPort P06-1MP-M12 Series will be discontinued because of some key components are end-of-life. The replacement models will be VPort P16-2MR Series, which is compatible in VPort P16-1MP-M12's form/ fit/ function. VPort P16-2MR Series is available now.
