

Worldwide Product Announcement

New Tape and Reel quantities for MultiTech xDot® Essential and Advanced Long-range, LoRaWAN Certified^{CM} Modules

Product Near-End-of-Life - MultiTech xDot® Tape and Reel quantities of 250 Units

Date: May 7, 2025

I. Summary

MultiTech is announcing a change to the packaging of our xDot® Essential and Advanced long-range, LoRaWAN® modules. Specifically, we are increasing the number of modules supplied in our tape and reel packaging.

BENEFITS

To better align with industry standards, improve logistics efficiency, and respond to customer feedback, we are increasing the standard quantity per reel from 250 to 400 units.

II. New Ordering Part Numbers

Contents:

III. Product Comparison

Current Quantity (NEOL): 250 units per reel

New Quantity: 400 units per reel

IV. Suggested Action Plan

We recommend the following actions be taken:

- Review your inventory management systems and add the new ordering part numbers.
- Ensure that the new ordering part numbers and pricing are loaded in your pricing system. Update your website, quoting tools, and other sales tools.
- Forward this announcement to others within your organization who are actively involved in the sale or support of LoRaWAN modules.

V. Key Dates

Near-End-of-Life (NEOL) Date: May 7, 2025

Last Time Buy (LTB) Date for Tape and Reel of 250 pieces: MultiTech will continue to accept purchase orders for the tape and reel packaging option of 250 pieces while inventory supplies last.

Last Ship Date/End-of-Life (EOL) Date: After remaining inventory and backlog has shipped.

Availability of New 400-piece Tape and Reel part numbers: June 1, 2025

VI. Warranty and Support

Two-Year Product Warranty

All MultiTech products include a two-year warranty that includes on-line technical support and 24-hour website support.

VII. Additional Information

If you have any questions or require additional information on this Worldwide Product Announcement, please contact your MultiTech sales representative.
