1- NOTE: BACnet Models will be shipped with mPower 7.0.0 software

IV. Suggested Action Plan

To help facilitate the transition, we recommend the following actions be taken:

- Forward this notification to others within your organization who are actively involved in the sale or support of the devices listed in this notification.
- Remove End-of-Life (EOL) models from pricing system, quoting tools, and websites.
- Notify and work with existing customers to migrate them to the recommended replacement.

V. Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this notification through the warranty period of the installed device.

VI. Additional Information

If there are questions or if additional information is required regarding this Product End-of-Life (PEOL) Notification, please contact your MultiTech sales representative or visit one of the resources listed below:
