IV. Suggested Action Plan

To help facilitate the transition, we recommend the following actions be taken:

- Forward this notification to others within your organization who are actively involved in the sale or support of the devices listed in this notification.
- Remove End-of-Life (EOL) models from pricing system, quoting tools, and websites.
- Notify and work with existing customers to migrate them to the recommended replacement.

V. Warranty and Support

MultiTech will provide technical support and repair, or exchange of the products listed in this notification through the warranty period of the installed device.
