

End-of-Life Announcement

DSX2

June 2, 2025

Legrand is announcing the End-of-Life (EOL) and discontinuation of the Raritan part numbers outlined in Table 1. With this announcement, we encourage you to contact us to decide which replacement, alternative, or comparable Raritan product offering will best fit your operations.

Announcement Milestones

June 2, 2025	End-of-Life Announcement (EOL) is the public notification date that commences the announcement that a product has been discontinued.
December 31, 2025	Last Order/Sale Date (LOD) is the last date on which purchase orders may be placed for the affected product.
December 31, 2027	End of Support Date (EOS) is considered the final EOL milestone. It's the last date to receive engineering and technical support services for the affected product(s) under a service contract or by warranty terms and conditions.

Table 1: Part Number(s) Affected by This Announcement

We have decided to end of life the Dominion SX II product line in 2025. ZPE Systems Nodegrid Serial Consoles have a modern platform with support for fiber (SFP+), wireless, cellular, and much more. It provides a significant upgrade from DSX2 with tons of capabilities and many features you've been asking PM for, including auto-sensing ports. Work with your Raritan and ZPE sales team to determine the best replacement model, as ZPE has additional options not listed in the chart below.
