

Product Discontinuance Notification—PDN# 0000439427

October 24, 2025

Dear Valued Customer,

We would like to inform you that Moxa is going to discontinue the MPC-2070 Series because of key components' end of life.

This process will effectively begin on October 31, 2025.

If you need any of these discontinued products for an existing project, please contact your Moxa sales representative to place orders before December 31, 2026. Also, please note that last-buy orders may be subject to availability.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will be discontinued?

The following products will be discontinued. Also, see the models recommended to replace the soon-to-be-discontinued models, as well as when the replacement models will be available for order.
