

Product Discontinuance Notification—PDN#0000441504

Dec. 8, 2025

Dear Valued Customer,

We would like to inform you that Moxa is going to discontinue the Windows Embedded Standard 7 pre-installed models within MPC-2101 Series because of Windows Embedded Standard 7 end of life.

This process will effectively begin December 8, 2025.

If you need any of these discontinued products for an existing project, please contact your Moxa sales representative to place orders before January 31, 2026. Also, please note that last-buy orders may be subject to availability.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will be discontinued?

The following products will be discontinued. Also, see the models recommended to replace the soon to-be-discontinued models, as well as when the replacement models will be available for order.

Discontinued	Recommended Replacement	Available for Order
MPC-2101-E4-CT-T-W7E	MPC-2101 (CTO) with Windows 10 LTSC Entry selected	Now
MPC-2101-E4-LB-CT-T-W7E	MPC-2101 (CTO) with Windows 10 LTSC Entry selected	Now

Please note that all service rules (e.g., warranty) still apply to discontinued products.

If you have any questions, please contact Simon Chin at SimonCL_Chin@moxa.com, or contact your regional sales representative.
