

## Product Change Notification—PCN#001157

Dec 29, 2025

Dear Valued Customer,

We would like to inform you that Moxa is going to make changes to the PWR Module Series. These changes will be implemented by a running change from March 2026. Please review the details below to determine how these changes will affect your products and/or operations.

### What will change?

Changes will be implemented in the PWR Module Series to improve compatibility with the PT-G7728/PT-G7828 and MDS-G4000/MDS-G4000-4XGS Series. These updates include:

- Optimized relay behavior with the PT-G7728/PT-G7828 Series.
- Enhanced surge performance when used with the MDS-G4000/MDS-G4000-4XGS Series.

The scope of the changes includes the module's PCB layout optimization and UL certification update.

### Which products will be affected?
