### Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this notification through the warranty period of the installed device.

### Suggested Action Plan

To help facilitate the transition to the replacement models, we recommend the following actions be taken:

- Forward this notification to others within your organization who are actively involved in the sale or support of the devices listed in this notification.
- Remove End-of-Life (EOL) models from pricing system, quoting tools, and websites.
- Notify and work with existing customers to migrate them to the recommended replacement.
