Suggested Action Plan

To help facilitate the transition, we recommend the following actions be taken:

- Forward this notification to others within your organization who are actively involved in the sale or support of the devices listed in this notification.
- Notify and work with customers to migrate them to the recommended replacement models.

Warranty and Support

MultiTech will provide technical support and repair, or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post EOL date.
